### GRADING SYSTEM

A 4.00 (A = 4.00) grading system is used. Prior to 1954-55 academic year, a 3.00 (A = 3.00) system was used. A grading system utilizing plus (+) and minus (-) symbols was instituted Semester 1-75-76. The Fall term is August/September to December, the UWinterIM term occurs during the first three weeks of January, the Spring term is January to May, the Summer Session is May to August.

#### GRADES WITH ASSOCIATED GRADE POINTS PER CREDIT

GRADE	GRADEPOINTS

DR	= Dropped with permission of Dean
E	= Fail (used prior to 1997)
EX	= Excused (used prior to 1956 only)
I	= Incomplete
IP	= In progress

#### RECORD OF UNIVERSITY OF WISCONSIN COURSEWORK PRIOR TO JANUARY, 1972

The UWM Graduate School was formed in 1956 as part of The Graduate School of the University of Wisconsin-Madison. Graduate programs were continued as part of The Graduate School as UWMadison until September, 1965, at which time a separate UWM Graduate School was established by action of the University of Wisconsin Regents.

Through the Fall Semester, 1971-72, the policy of the University of Wisconsin System was to maintain one academic record card for each student. If a student attended more than one campus within the University of Wisconsin System, the coursework from all campuses was recorded on one record card. Therefore, if this transcript contains academic work prior to Semester 2-71-72 from UWMadison, UW-Green Bay, UW-Parkside, the UW-Centers or UWExtension, it is the official transcript of that coursework. Beginning with Semester 2-71-72, each campus maintains a separate record card for each student.

### COURSE NUMBERING SYSTEM

001-299	Undergraduate courses. Not offered for graduate level credit.
300-699	Undergraduate/Graduate courses.
*	An Undergraduate only course within the 300-699 range will be indicated with an asterisk.
700-999	Graduate level. Graduate standing required for enrollment.

### TRANSFER CREDIT

Transfer work is not calculated into the UWM GPA. Only UWM coursework is calculated into the GPA.
